# **INDEPENDENT AUDITORS' REPORT**

Governing Board of Directors Minnesota FAIR Plan Minneapolis, Minnesota

#### **Report on the Financial Statements**

We have audited the accompanying statutory financial statements of the Minnesota FAIR Plan (a nonprofit organization), which comprise the statutory statements of admitted assets, liabilities and members' equity as of December 31, 2019 and 2018, and the related statutory statements of operations, changes in members' equity and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions prescribed or permitted by the Department of Commerce of the State of Minnesota. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Minnesota FAIR Plan Page Two

# Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2, the financial statements were prepared by the Minnesota FAIR Plan on the basis of the financial reporting provisions prescribed or permitted by the Department of Commerce of the State of Minnesota, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Department of Commerce of the State of Minnesota. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

## Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Minnesota FAIR Plan as of December 31, 2019 and 2018, or the results of its operations or its cash flows for the years then ended.

## **Opinion on Regulatory Basis of Accounting**

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the admitted assets, liabilities, and members' equity of Minnesota FAIR Plan as of December 31, 2019 and 2018, and the results of its operations and its cash flows for the years then ended, in accordance with financial reporting provisions prescribed or permitted by the Department of Commerce of the State of Minnesota as described in Note 2.

## NOTES TO STATUTORY FINANCIAL STATEMENTS

# NOTE 1 - NATURE OF OPERATIONS

The Minnesota FAIR Plan (the Plan) was established by the legislature of the State of Minnesota in accordance with the provisions of the Minnesota FAIR Plan Act of 1969. The purpose of the Plan is to provide limited property insurance coverage for eligible property owners when insurance is not available through voluntary markets. The membership of the Plan includes every property insurar authorized to write property insurance in the State of Minnesota. The Plan's Governing Board of Directors has the authority to assess all property insurance companies (hereinafter referred to as Members) that are licensed and write premiums in the State of Minnesota.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

The Plan prepares its financial statements in accordance with accounting practices prescribed or permitted by the Department of Commerce of the State of Minnesota. Prescribed statutory accounting practices include a variety of publications of the National Association of Insurance Commissioners, as well as state laws, regulations and general administrative rules. Permitted statutory accounting practices encompass all accounting practices not so prescribed. Statutory practices vary in certain respects from accounting principles generally accepted in the United States of America. The effects of such variances on the accompanying financial statements have not been determined. However, these differences are presumed to be material. The most significant variances are the charging of acquisition costs (principally commissions and premium taxes) to operations as incurred rather than ratably as the related premiums are earned, and the designation of certain assets as non-admitted for financial statement purposes.

#### Accounting Estimates

The preparation of the financial statements in conformity with statutory practices requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. The most significant area which requires the use of management's estimates is unpaid losses and loss adjustment expenses.

#### Subsequent Events

In preparing these financial statements, the Plan has evaluated for recognition or disclosure the events or transactions that occurred through June 11, 2020, the date the financial statements were available to be issued. Except as discussed in Note 7, there were no subsequent events that required recognition or disclosure in the financial statements.

#### Cash and Cash Equivalents

All highly liquid debt instruments purchased with original maturities of three months or less are considered cash equivalents. The Plan's cash and cash equivalents are concentrated primarily within one financial institution.

# NOTES TO STATUTORY FINANCIAL STATEMENTS

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Unpaid Losses and Loss Adjustment Expenses**

Insurance losses and related adjustment expenses are charged to operations as incurred. The liability for unpaid losses and loss adjustment expenses includes an amount determined from loss reports and individual cases and an amount, based on past experience, for losses incurred but not reported. These liabilities are necessarily based on estimates and, while management believes that the amounts are adequate, the ultimate liabilities may exceed or be less than the amounts provided. The methods for making the estimates and for establishing the resulting liabilities are continually reviewed, and any adjustments are reflected in current operations.

## Taxes

The Plan pays, on behalf of its Members, premium taxes to the state of Minnesota. The Plan is a nonprofit organization exempt from federal income taxes under Section 501(c)(6) of the Internal Revenue Code, and from state income taxes under Section 290.05 of the Minnesota statutes.

#### **Non-Admitted Assets**

Certain assets, primarily furniture and equipment, purchased computer licenses, hardware and software (exceeding 3% of admitted assets), prepaid expenses and prepaid pension costs are designated as "non-admitted assets". The net change in these assets is reflected directly in members' equity. The aggregate net book value of these non-admitted assets was \$562,132 and \$624,066 as of December 31, 2019 and 2018, respectively.

#### Assessments

When made, member assessments are reflected in the accompanying statutory statements of changes in members' equity and represent amounts approved by the Governing Board of Directors and billed to the Members during the year. As defined by state statute, assessments are allocated to the Members based upon each Member's pro rata share of total premiums written in the state of Minnesota for selected lines of business two years prior to the year of assessment. Assessments, when necessary, are used to fund the ongoing operations of the Plan. There were no member assessments in either 2019 or 2018.

#### Premiums

Premiums are earned on a pro rata basis over the term of the policies. Premiums applicable to the unexpired terms of the policies in force are reported as "unearned premiums" at December 31, 2019 and 2018.

# **Policy Acquisition Costs**

Commissions and other acquisition costs related to premiums written are charged to operations when the premiums are paid by the policyholder.

## NOTES TO STATUTORY FINANCIAL STATEMENTS

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Research and Development**

Research and development costs are charged to operations as incurred. Research and development costs consist of software development were \$0 and \$274,549 in 2019 and 2018. Research and development costs are included in other underwriting expenses on the statutory statement of operations. As discussed in Note 6, during 2018 the Plan purchased a subscription-based software package and is no longer incurring research and development costs.

#### NOTE 3 - UNPAID LOSSES AND LOSS ADJUSTMENT EXPENSES

The changes in unpaid losses and loss adjustment expenses for the years ended December 31, 2019 and 2018 are as follows:

	2019	2018
Balance at Beginning of Year	<u>\$ 507,500</u>	\$ 409,904
Incurred During the Year: Losses Loss Adjustment Expenses Total Incurred	1,404,493 <u>129,412</u> 1,533,905	1,177,152 <u>116,376</u> <u>1,293,528</u>
Paid During the Year: Losses Loss Adjustment Expenses Total Paid	1,406,755 <u>135,722</u> 1,542,477	1,086,538 109,394 1,195,932
Balance at End of Year	\$ 498,928	<u>\$ 507,500</u>

#### NOTE 4 - MEMBERS' EQUITY

The members' equity represents the accumulated results from operations and assessments and the effects of changes in non-admitted assets through December 31, 2019. No distributions have been made to the members since the inception of the Plan.

#### NOTE 5 - RETIREMENT PLANS

The Plan is a participating employer of the Pension Plan of Insurance Organizations (PPIO), a multi-employer defined benefit pension plan which covers all eligible employees.

#### Cash Flows

Expected future benefit payments are as follows:

2020	\$ 181,072
2021	189,435
2022	201,713
2023	215,271
2024	222,158
2025 - 2029	1,165,535
	<u>\$ 2,175,184</u>

Employer contributions expected to be paid during year ended December 31, 2020 are \$69,037.

The Plan also participates in a multi-employer 401(k) savings plan which is available to all eligible employees. Employees may make before-tax and/or after-tax contributions of not less than 1% and not more than 75% of their annual compensation, as permitted by law. The Plan matches 100% of the first 1% of employees' contributions and 70% of the next 5% of employees' contributions. The Plan's contribution is made each pay period. The Plan recognized \$24,748 and \$26,062 in expense relating to this plan during the years ended December 31, 2019 and 2018, respectively.

#### **NOTE 6 - COMMITMENTS**

The Plan has a lease for office space expiring August 2021. In addition to rent, the Plan pays maintenance and operating costs on the leased office space.

The Plan entered into an agreement with Innovative Computer Systems, Inc. as of October 30, 2017 with an effective date beginning August 1, 2018. Innovative will provide operations software license, maintenance and support, and implementation of Finys through October 2022.

Rent and software maintenance expense and payments due over the remaining terms are as follows:

	Real Estate	Software	Total
Expense:	¢ 404 004	¢	¢ 4.04 004
2019	\$ 101,891	\$ 60,000	\$161,891
2018	98,269	60,000	158,269
Commitments:			
2020	\$ 52,166	\$ 60,000	\$112,166
2021	35,658	60,000	95,658
2022		60,000	60,000
Total	<u>\$ 87,824</u>	\$ 180,000	\$267,824

# NOTES TO STATUTORY FINANCIAL STATEMENTS

# **NOTE 7 - SUBSEQUENT EVENTS**

In March 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The Plan cannot reasonably estimate the length or severity of this pandemic, or the extent to which the disruption from this pandemic may impact the Plan's operations and financial statements.
